[illegible]

The diagram illustrates the relationship between QGIS Core, External Plugins, and QGIS Plugin. It consists of four rows of boxes. The first row is labeled 'Core' and contains 10 boxes. The second row is labeled 'External' and contains 10 boxes. The third row is labeled 'Plugins' and contains 10 boxes. The fourth row is labeled 'Plugin' and contains 10 boxes. The 'Core' and 'External' labels are positioned to the right of their respective rows. The 'Plugins' and 'Plugin' labels are positioned to the right of their respective rows. The 'QGIS' label is positioned to the right of the fourth row. The boxes in the first row are connected to the boxes in the second row. The boxes in the second row are connected to the boxes in the third row. The boxes in the third row are connected to the boxes in the fourth row. The boxes in the fourth row are connected to the 'QGIS' label.

Core Plugins

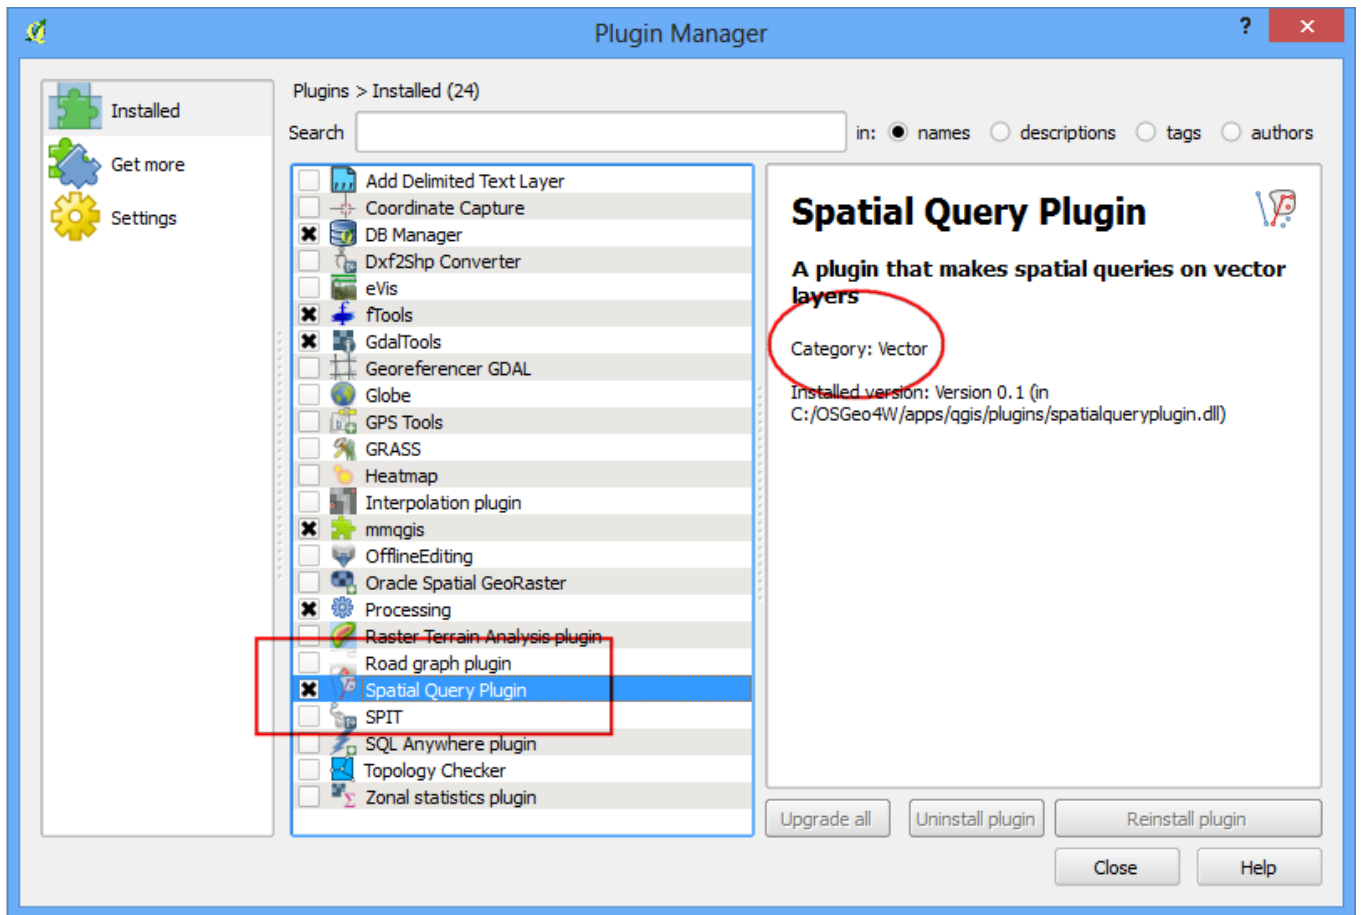

Core plugin  QGIS

1.   Plugins ▸ Manage and Install Plugins...
 Plugin Manager

- ```
2. ██████████ QGIS ████████
plugin █████ Installed █████ Core Plugins
██████████ OGIS █████
```

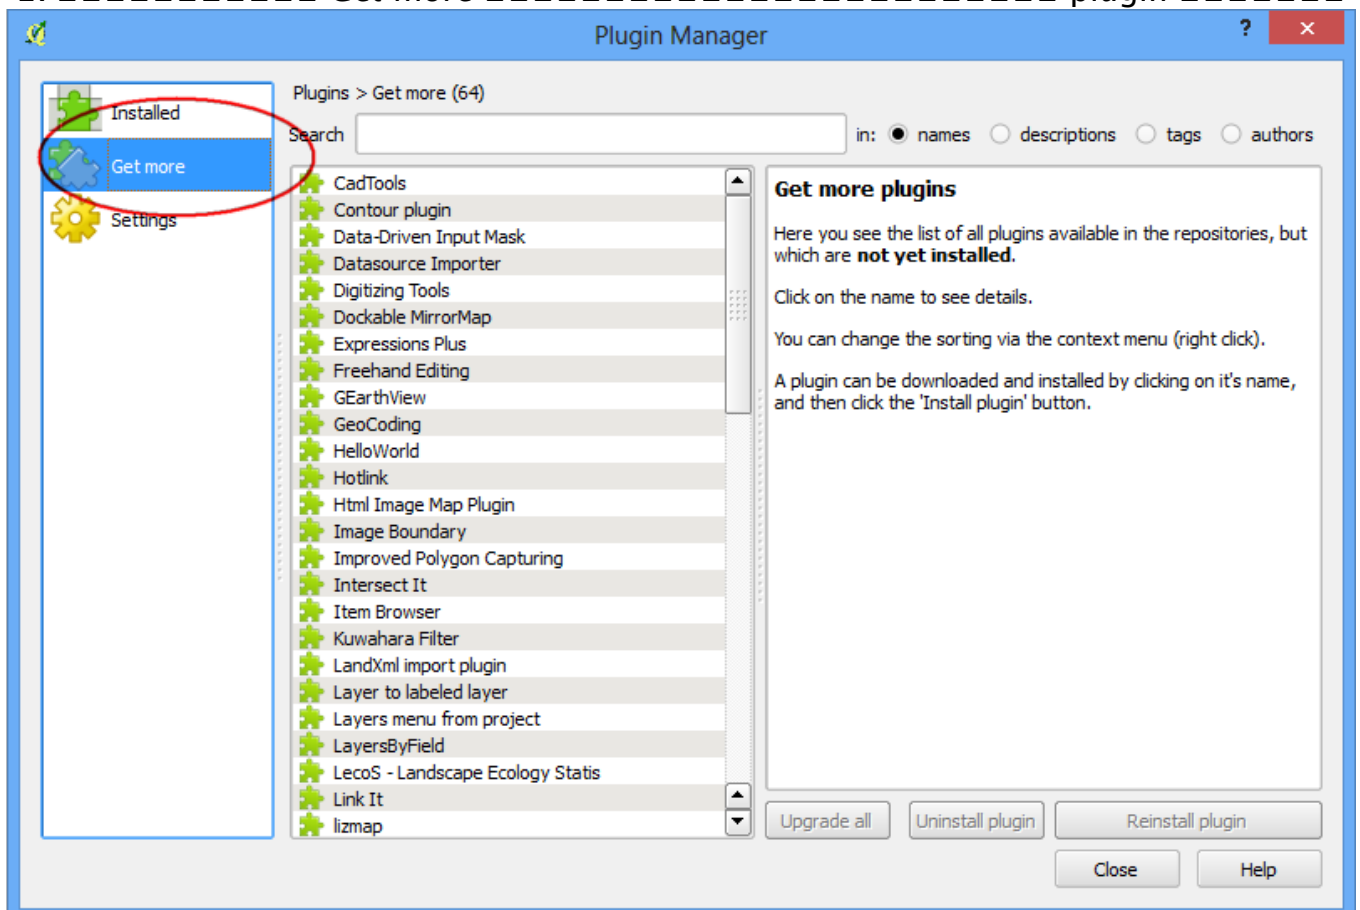

4. plugin Spatial Query Plugin  
 Vector Spatial Query

2. Get more plugin

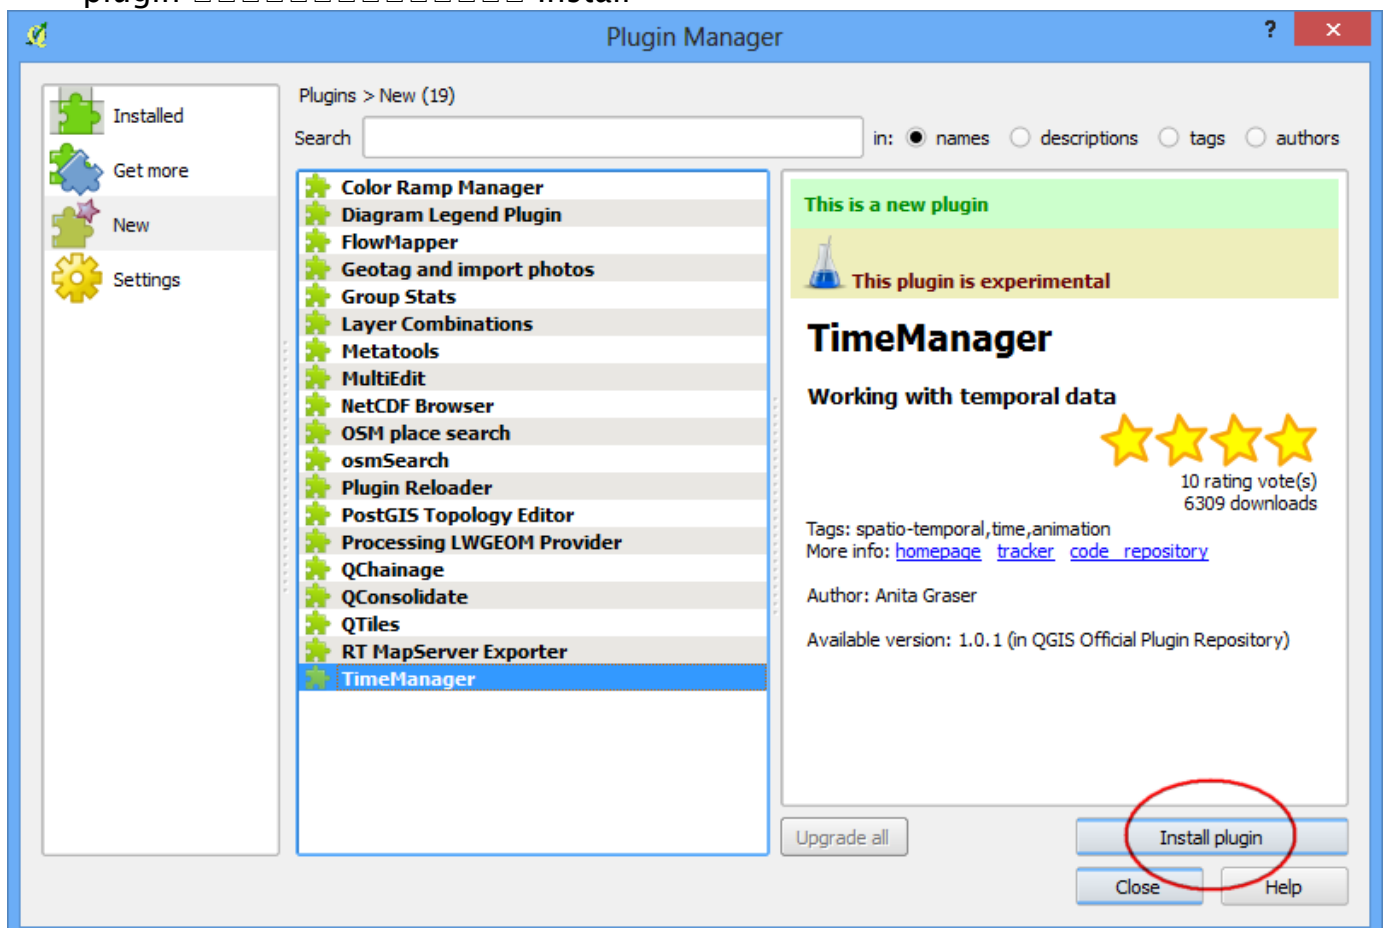

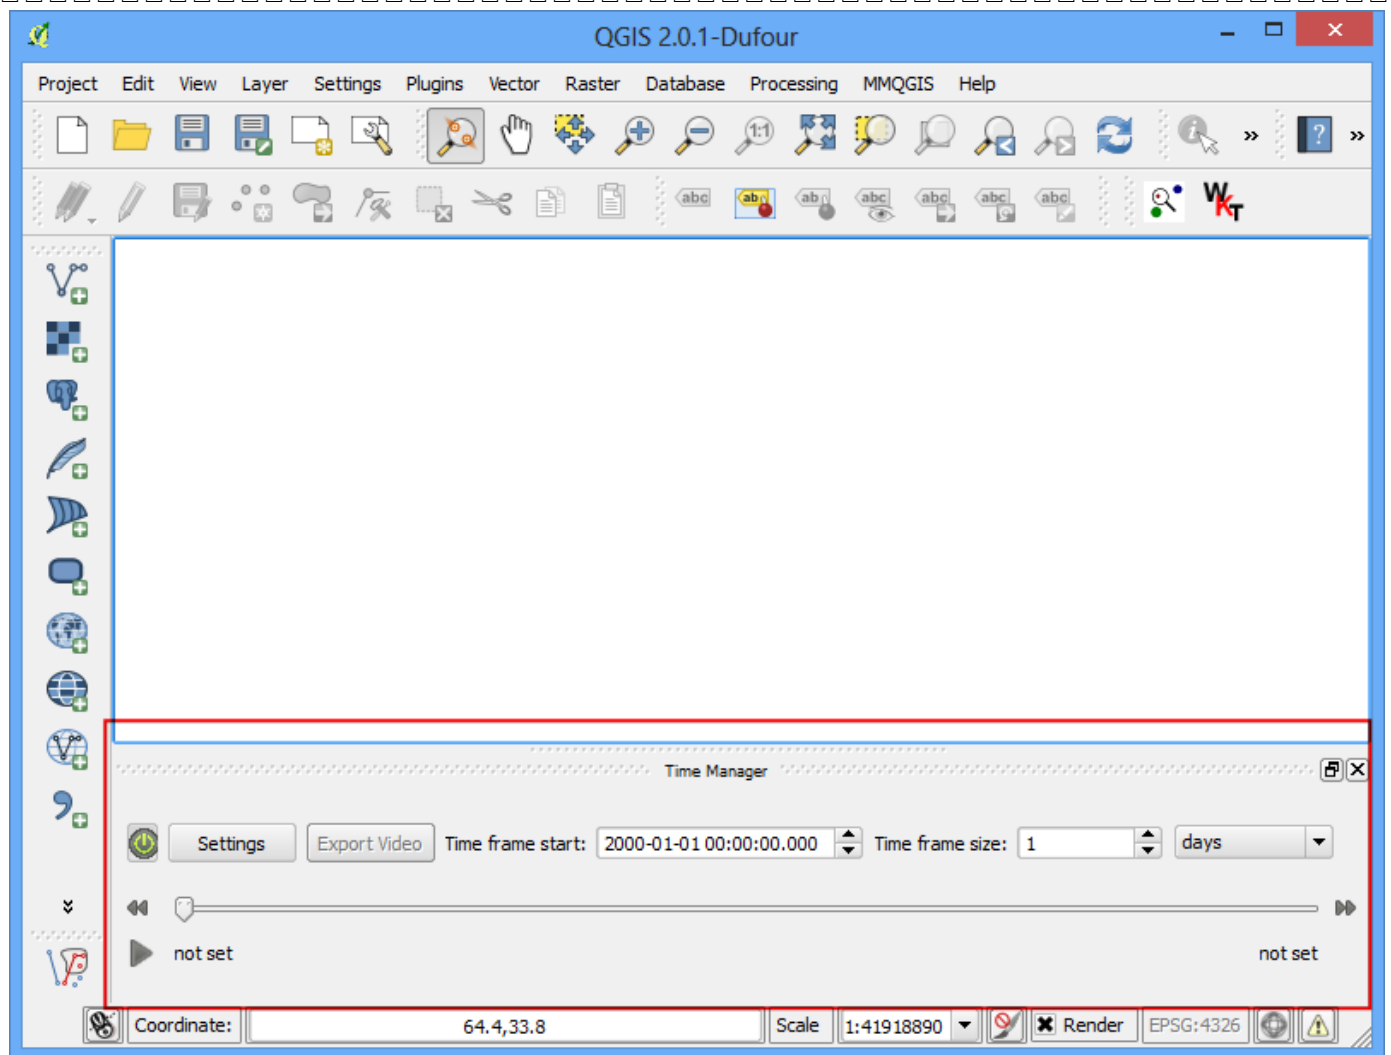

3. plugin TimeManager plugin Install

4. QGIS plugin TimeManager

5. View › Panels › Time Manager
