The screenshot shows the QGIS 2.0.1-Dufour application window. The 'Plugins' menu is open, highlighting 'Manage and Install Plugins...'. The main map area is empty. The left sidebar contains the 'Layers' panel and a toolbar with various GIS tools. The bottom status bar displays the coordinate '0.515,-1.878', scale '1:4098808', and projection 'EPSG:4326'.
