- The screenshot shows the QGIS 2.0.1-Dufour application window. The 'Plugins' menu is open, displaying two options: 'Manage and Install Plugins...' and 'Python Console'. The main map area is empty. The status bar at the bottom indicates the current coordinate is 0.515,-1.878, the scale is 1:4098808, and the coordinate system is EPSG:4326.
